

ACS Volunteer & Chaperone Agreement

ACS Families are expected to donate their time and talents toward their child’s education. We hope that you will consider this both a responsibility and a privilege. Anyone wishing to volunteer for activities that involve direct interaction with or supervision of students will need to attend an orientation meeting prior to participating in any classroom or campus activities. Every volunteer will also be required to undergo a background check. New parents who enroll a student during the course of the year will be required to do the same. ACS Families are required to contribute at least 20 volunteer hours each academic year according to the ACS Parent/Student Handbook.
